EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows: claims 36 and 39, previously withdrawn from consideration without traverse, have been canceled.

Reasons for Allowance

The following is an examiner's statement of reasons for allowance: applicant's arguments with respect to claim 61 are deemed persuasive. That is, the examiner agrees that the prior art fails to disclose a flexible portion having first and second ends directly attached to an end of the shaft. Rather, Haissaguerre et al and Hall et al and other relevant prior art devices provide two separate flexible portions that are attached to the shaft at one end and attached to the head at the opposite end. There is no suggestion of providing a single flexible portion that has first and second ends attached to the shaft and attached to the head as now recited in the claims. It is noted that the remaining independent claims have been amended to include this recitation of the flexible portion as recited in independent claim 61. Also, it is noted that claims 3, 5-7, 9, 10, 13-16, 25-30 and 42 have been rejoined in view of their dependency from an allowed independent claim.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably

accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Michael Peffley whose telephone number is (571) 272-4770. The examiner can normally be reached on Mon-Fri from 7am-4pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Linda Dvorak can be reached on (571) 272-4764. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
